I refer to your page 17 and evaluate the property as follows:

1. Name: The name is Nwoji Chikwe from Lodu Umuimenyi of Bende L.G.A. of Abia State.
2. Location: The Subject land is located at Umuobasi road, off St. Fimbarrs road Umuahia.
3. Plot Size: The property has an area of 279.57 Sq. Yds (≈ 226.46 Sq. mts) or 0.023 HA. This size is ideal as it conforms with the provision of the Land use Decree.
4. Govt. Interest: Reference to the Umuahia Master plan reveals that the property lies outside Government Acquisition.
5. Development: The property is undeveloped. The adjoining plots are developed for residential uses.
6. L/Use: The use applied for is residential. The area where the property locates is the Medium Density Residential Area of Umuahia Master plan. So the use is conforming.
7. Accessibility: Though the Survey plan at P. 4 does not show access to the property, inspection report (See P. 15, Para. 4) reveals that the property is accessible through Umuobasi Rd that abuts at Umuobasi Village.
